

## ENTENTE PUTTING PRESSURE ON GREECE

Powers Decide to Renew Economic Measures in Attempt to Hasten Answer to Note.

### PEOPLE IN FAVOR OF YIELDING

PARIS, Dec. 4.—The entente powers consider Greece is taking too long to reflect upon the answer to their demands and have decided to apply again the economic measures which were used with such effect a fortnight ago, says the Figaro. The newspaper declares orders have been given prohibiting the departure from allied ports of all ships with cargoes consigned to Greece and stopping immediately the loading of Greek vessels.

**People Favor Yielding.**  
ATHENS, Dec. 3.—(Via Paris).—Public opinion is veering towards the fullest acceptance of the demands of the entente powers. While the government is hesitating in framing its reply thousands of refugees are arriving at Florina after tramping through the deep snow from Monastir. All buildings are crowded and hundreds are without shelter. Children are dying from hunger and exposure. The municipal treasury has been emptied and appeals for aid have been made to Athens.

Princess Demidoff is expected to head the relief work at Saloniki.  
**Macedonia Already War Base.**  
LONDON, Dec. 4.—"Virtually the whole of Greece Macedonia has been handed over to the allies as a war base," says the Berlin Tageblatt, as quoted in a Copenhagen dispatch to the Exchange Telegraph company. "Greece has agreed to give the allies free use of the railroad in this territory as well as of the Aegean harbors, including Kavala."  
"Greece declines, however, to disarm troops of the central powers if they pursue allied troops on Greek territory."  
The Tageblatt is also credited with the statement that the central powers have offered Greece southern Albania and islands in the Aegean on condition that it decline to grant certain demands of the allies and remain neutral.

## Sunday's Revival at Chicago Goes Over Until Fall of 1917

CHICAGO, Dec. 4.—A subcommittee of clergymen, which had arranged for a series of revivals to be conducted by "Billy" Sunday here in January, 1917, consented today to a postponement to September 24, 1917. Mr. Sunday asked the postponement in order that he might hold a similar series in New York in January, 1917.

## Russian War Loan Failure, Says Berlin

BERLIN, Dec. 4.—(By wireless to Sayville.)—The Overseas News agency asserts that it has received private advice that the Russian war loan has proved a total failure.  
"Although 1,000,000,000 roubles were offered for subscription," adds the news agency, "the reports declare that during a preliminary period of four days and in two subscription days, the subscriptions of the majority of the banks and government officers amounted to only 100,000,000 roubles."  
"According to the reports, the government has threatened to transport to Siberia persons who offer loan securities below the price of issue."

## Abolition of College Base Ball Predicted

CHICAGO, Dec. 4.—Eventual abolition of college base ball by all the conference universities was predicted when their faculty representatives met here today in their semi-annual session. A strong feeling that the game had become professionalized to an extent that made it undesirable as a college sport was found among several of the delegates, according to T. F. Moran, the secretary, but there was only a bare possibility that its abolition would be recommended at today's meeting.  
Small hope for a change in the rule prohibiting summer base ball playing by college athletes was seen as the delegates gathered.

## Roumania to Seize Ships in Its Ports

LONDON, Dec. 4.—Reuter's Bucharest correspondent telegraphs the Roumanian military authorities have announced that steamships, barges, tugs and other craft anchored in Roumanian ports, belonging to foreign or private Roumanian companies, will be commandeered on Monday "in the interest of national defense."  
Premier Bratianu, the correspondent says, has informed the Roumanian senate here he is unable to give explanations of the government's foreign policy or information concerning military supplies. This information is reserved "in the interests of national defense."

## DATE FOR WILSON AND GALT WEDDING

Ceremony Will Be Performed at the Home of Bride in Washington December 18.

### ONLY RELATIVES WILL ATTEND

WASHINGTON, Dec. 4.—President Wilson and Mrs. Norman Galt will be married on Saturday, December 18, at Mrs. Galt's home here, according to a formal announcement made today at the White House.  
It was also announced that the only guests will be Mrs. Galt's mother, her brothers and sisters, the president's brother and sister, his daughters and the members of his immediate household. No invitations will be issued.

### Honeymoon in South.

No announcement was made regarding plans for a honeymoon, but it was expected that the president and his bride will leave Washington soon after the ceremony for somewhere in the south.  
While no announcement was made of the hour of the ceremony it was understood it will be late in the afternoon. The Rev. Sylvester Beach, the president's pastor in Princeton, and the Rev. Herbert Scott Smith, rector of Mrs. Galt's church here, are expected to officiate.  
The formal announcement of the wedding plans was written out by the president himself this morning. Immediately afterward he left the White House to visit Mrs. Galt. Both have agreed that all the details shall be as simple as possible.

**Display Not Desired.**  
It has been intimated to the diplomats who have made inquiries at the State department that no display in connection with the wedding is desired. However, it is expected that many officials and admirers of the president will send gifts.

Joseph R. Wilson of Baltimore, the president's brother; Mrs. Anne Howe, his sister, and Mrs. Francis B. Sayre, the president's daughter, will be guests at the White House when they come to attend the wedding. Miss Margaret Wilson and Mrs. W. G. McAdoo, the other two daughters of the president, already are here.

Mrs. Galt's home, where the ceremony will be performed, is in the fashionable section of Washington, but is too small to contain a large party. Nevertheless, both Mrs. Galt and the president decided not to have the wedding in the White House.

## Senate Democrats Postpone Fight to Regulate Debate

WASHINGTON, Dec. 4.—The fight to restrict debate in the senate, democrats agreed today in conference, should not be urged on the opening day of congress and will be postponed until later in the week.

In view of this decision, Majority Leader Kern telegraphed today to Vice President Marshall at Indianapolis that it will not be necessary for him to be present on the opening day. The vice president wished to delay in arriving, owing to the illness of Mrs. Marshall.  
When the democratic caucus recessed it was announced that the idea to make the cloture resolution a party measure had been abandoned. The opponents of the effort to limit debate, it was evident, were so much in the majority that the subject could not be approved by caucus action.

It was predicted that a resolution containing some form of revision of the rules would be introduced on Monday and formally be referred to a committee. The indications are that the friends of cloture will have difficulty in getting favorable action.

## Reduction in Bail For Indicted Men

CHICAGO, Dec. 4.—Twenty-six of the fifty-four men named in the forty-six labor extortion and conspiracy indictments returned last night were granted a reduction in bail today by Judge Richard Burke in the criminal court to \$2,500 on each indictment, in place of \$10,000 bail demanded by the state.  
The bond ruling was regarded as a victory for the defendants, as the state had asked that the men be held in jail. If they could not furnish the \$10,000 bail demanded.

The reduction in bail applied only to the men who appeared in court to answer the charges against them, the judge intimating that he would not consider a reduction in bail of any indicted men who did not appear in court.

Attorney Frank Comerford, counsel for a number of the men under arrest, said today that the grand jury's action was part of a conspiracy by employers to destroy union labor in Chicago.
